Nominate your Étoile Santé for a chance to win \$500!

WELLINGTON, PEI – January 9, 2018 – As part of the Étoile Santé campaign, everyone is invited to nominate health professionals for a chance to win a \$500.

The Étoile Santé campaign will continue for a third year and since January 2015, 49 health professionals have been recognized for providing an exceptional active offer of French-language services. Everyone is encouraged to continue submitting nominations for the Étoile Santé award and a chance to win. The winner of the \$500 prize will be drawn among all submissions received from July 1, 2017 to March 31, 2018. An individual may nominate more than one person.

All nominated health care professionals receive a recognition award. Also, once a month, a health professional who has distinguished himself or herself is featured in an article published in the province's French-language newspaper, *La Voix acadienne*.

Étoile Santé nominations can be submitted directly on the French Health Network's website at www.santeipe.ca. To find bilingual service providers in your area, including Étoile Santé recipients, consult the directory at www.santeipe.ca/repertoire.

The PEI French Health Network is a non-profit organization that collaborates with various partners in order to improve access to quality French-language health services and programs for Prince Edward Island's Acadian and Francophone population. The organization brings together representatives from target community groups, educational facilities, health professionals, health service managers and the provincial government. It is also one of 16 networks that make up the Société Santé en français. The PEI French Health Network is funded by Health Canada within the framework of the Roadmap for Canada's Official Languages 2013–2018: Education, Immigration, Communities.
