WELCOME

Welcome to Prince Edward Island,

The recruitment kit from the Prince Edward Island French Health Network (PEIFHN) is an electronic resource updated in June 2024 that serves as an essential tool for bilingual professionals working in the health and social services fields.

Whether you are a health professional looking to relocate to our province or a student aspiring to a career in this field, this kit is designed for you.

You will find a comprehensive list of organizations, institutions, and private companies, making it easier to search for professional opportunities in both French and English. Whether you are seeking a career where you can showcase your language skills, a welcoming and enriching work environment, or a vibrant Acadian and Francophone community, this kit meets your needs.

However, it is important to note that the information presented in this document is for informational purposes only. PEIFHN does not endorse or promote the websites mentioned in this document and does not guarantee the accuracy of the information provided. Therefore, this kit is offered as a guide to facilitate your search for professional opportunities in a bilingual and welcoming environment.

See you soon!
